To Whom It May Concern:

My name is Father Gerry O'Rourke, Administrator, St. Agnes Church San Francisco and Director and Chairman of The Ecumenical and Interreligious Commission of the Archdiocese of San Francisco. I was ordained as a Catholic Priest in 1950.

Working with Landmark Education Inc. has been one of the most valuable ongoing experiences in my life. Through my continuing participation with this company my work as a pastor and as an Interfaith Leader has been enormously enhanced. Really the word is empowered. Empowered by a profound opening up of the extraordinary healing, renewing, reconciling, enriching and powerful set of distinctions that has been developed by Landmark Education Inc. over the years.

I have no hesitation in recommending this great work. I totally dismiss any suggestion that it is cultish, devious, or anti-religious. Rather the work and programs developed by Landmark Education are truly educational in the best sense. They open up new and inventive ways of seeing the wonderful language, traditions and truths in my faith. Thus the two most important phases and areas of my Ministry as a Priest, my listening and my speaking, have been and continue to be greatly enhanced and empowered.

I thank God profoundly for having been open to this remarkable gift in my life.

Yours truly,
